

# HFOT Events

**Join HFOT, the future home recipient, and the community for these three special events.**

## **Community Kickoff**

Homes For Our Troops invites the public to come out and welcome each Veteran and their family to their future community. Kickoffs will be held at a local establishment. Details will be available on each Veteran's project page at [hfotusa.org/\(Veteran's last name\)](http://hfotusa.org/(Veteran's last name)).

## **Volunteer Day**

Homes For Our Troops invites the entire community to help complete the landscaping plan (and other projects, if applicable) for each Veteran's home. The day will begin with morning check-in, followed by the installation of sod and plantings throughout the property. Volunteer Days are scheduled toward the end of each home build and are weather permitting.

## **Key Ceremony**

Homes For Our Troops invites the entire community to welcome each Veteran and their family to their new home upon completion. Key Ceremonies will take place at the home and all details will be available on each Veteran's project page at [hfotusa.org/\(Veteran's last name\)](http://hfotusa.org/(Veteran's last name)).
